## Award Winning films from Oska Bright 2009

Please no flash photography

### Best Animation 2009

Story of The Beatles by Hughie McIntyre (Glasgow)

The committee said:

"We enjoyed the music... Seeing the characters mouths moving was fantastic...It made us laugh...The voices were done well and were very good."

### Best Documentary 2009

Produced by  Carousel and

## 35 km by Vilmos Kerecsendy (Vacegres, Hungary)

### The committee said:

“He is talking about his community, using the bus, being part of his village... He doesn't let barriers get in his way... It's great to see how interesting life is for a person with a learning disability in a small village in Hungary... It has a lot of humour in it ...There is a hidden message... He has a charming, funny personality and this comes across in the film.”

## Best Acting 2009

Hope Springs – Episode 1 by David Miller, Wendy Elsley and Peter Nixon from Shoot Your Mouth Off Films (Gateshead)

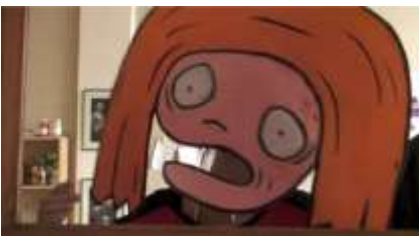

### The committee said:

“It's very funny when she says “Up Yours!”...Very good acting...liked the arguing...the movements of the actors is great.”

## Best Special FX 2009

The end of The World According to The Ram by Yosef Foyt, Martin Vojmik, Lucie Pasova, Pavla Jeykova, Ales Koudela, Darko Lazarevic and Zdenka Mikova (Prague, Czech Republic)

### The committee said:

“We liked the animation...Loved the bits where animation met acting...the contrast of the colours makes the film stand out...the real bits look just like the animated bits.”

## Best Overall Film 2009

Produced by  Carousel and

## Young at Heart by Doreen Kay

### The committee said:

“The music is great...I wanted to dance... The animation explained the song words well... the drawings were good...It was very charming...We just loved it..... the mouth

moving is great.”
